# Aachen Graphene & 2D Materials Center November Workshop 2021

November 15-16, 2021 | SuperC, RWTH Aachen University

## General Information

### 2G+ rules

All participants in the SuperC will have to show an EU Covid-19 pass (certificate of vaccination or recovery) together with a ID document **AND** to perform a Covid-19 antigen test on-site, on both days of the workshop.

Testing will be possible on

- Monday, starting from 11:00 am
- Tuesday, starting from 8:00 am

Please remember that the test need 20min to give reliable results, and that no one will be admitted to the workshop area without a negative result.

### POSTERS

Can be set up on Monday, starting from 12:00 noon.

### ROOMS

The workshop will take place in the "Ford Saal" and "Generali Saal" at SuperC (Templergraben 57, 52062 Aachen).

### LUNCH & DINNER

Lunch & Dinner will be served on-site.
